**Re: C Block Auction License Defaults**

**Dear Chairman Hundt:**

**Cook Inlet Communications, Inc. ("Cook Inlet"), on behalf of Cook Inlet Western Wireless PV/SS PCS, L.P., requests that the Commission expeditiously re-auction the "C" Block PCS licenses as to which BDPCS, Inc. has defaulted. In the interest of certainty and fair resolution of the status of this matter, we now believe this approach -- if executed within the next twenty to thirty days -- has the highest probability of preserving the value of the licenses and providing services to the public.**

**We ask the Commission to consider the following specific points: (a) to expedite the process, if new Form 175's are required, the filing deadline be within a very short period (e.g. 10 days), (b) new up front payments also should be made within a very short period, and (c) the auction commences at the Stage II or III level.**

**We appreciate the opportunity to provide our comments to you.**

**Very truly yours,**

**Steve C. Hillard  
Vice President**
